City of Westminster
Schools

FOREWORD

Dear Parents and Carers,

Our schools in Westminster play such an important role in making all young people feel welcome and in offering safe and supportive spaces for children to build bright futures. We are so proud of the resilience our schools, students, and educators have maintained throughout recent challenges, including the pandemic and cost of living crisis.

Our primary schools are small and can cater to the unique needs of each student, ensuring they flourish during and after their education. Through working closely with families and local communities, Westminster's primary schools support children to access a wide range of opportunities and open doors to discover their passions.

Evidence of our successes are shown in the results we see from our schools. I am delighted that over 90% of City of Westminster schools have been judged outstanding or good by Ofsted, and our primary schools consistently perform above the national average in reading, writing and maths.

This brochure provides all the information you need to consider before taking the step to applying for schools in Westminster. You will also find basic information about all the primary schools located in Westminster and their admission criteria.

The Admissions Team is happy to advise you and contact details can be found on page 4. Whichever City of Westminster school you choose, incredible days are ahead for your child.

Cllr Aicha Less

Deputy Leader and Cabinet Member
for Children and Public Protection

Sarah Newman

Executive Director,
Bi-Borough Children's Services

INTRODUCTION TO WESTMINSTER'S PRIMARY SCHOOLS

This brochure is for parents of pupils aged between three and 11, but is primarily a guide for parents whose children are due to start primary school for the first time from September 2026. It provides information about how and when to apply for a place, explains how admission decisions are made and gives information about each school to help parents decide which schools to apply for.

Westminster has 34 primary schools in total, the majority of which are judged Good or Outstanding by Ofsted. It is important that you carry out research when considering your school options, and look at how likely it may or may not be that your child will be offered a place. In the school information section you will find details on how places were offered for the September 2025 intake.

All other schools located in Westminster providing primary or nursery education are either independent (private) schools or run by other organisations that may charge fees. The Council's Family Information Service provides details of all provision in the area and can be contacted by emailing families@westminster.gov.uk or visiting fisd.westminster.gov.uk

Further information on independent schools is available from the Independent Schools Council at www.isc.co.uk and the Independent Schools Directory and Resource at www.ukindependentschoolsdirectory.co.uk

TYPES OF STATE SCHOOL

The Admission Authority for each school is responsible for setting its admission arrangements and deciding which children are given priority for a place, in accordance with published admission criteria. For community schools the Admission Authority is the local council, while for voluntary aided schools and academies it is the school's governing body or academy.

Community schools are financed by public money and maintained by the council, which also sets their admission requirements.

Voluntary aided schools are set up by a religious or voluntary body but funded through the council. Governors have additional responsibilities to those for community schools, including setting the admission arrangements.

Academies are independent of the local authority and funded directly by central government. The governing body for each academy sets its admission arrangements in agreement with the Secretary of State and the local council.

CO-ORDINATED ADMISSIONS SYSTEM

All 33 London boroughs, together with councils bordering the capital, coordinate admission applications to their primary schools.

The coordinated admissions system is fair and transparent and means more school offers can be made on National Offer Day, with no child offered more than one school place. All parents apply via the same user friendly pan-London online system.

www.eadmissions.org.uk

HOW THE SYSTEM WORKS

All parents must select the schools they want to apply for on their home local authority's application form, listing them in their preferred order. This is important, as potentially only one offer will be made and this will be for the highest-listed school able to make the offer.

The decision on whether a place can be offered will be made by the Admission Authority for each school.

When a school receives more applications than places available (also referred to as oversubscribed), its published admissions criteria will be used to decide the order in which applicants will be offered places.

Schools will not be informed of where they are listed on the application form or other schools applied for.

Where a child is eligible to be offered a place at more than one school, the local authority will hold the offer for the highest preference on the parents' application form and release all other lower preference offers. These places can then be offered to other applicants. This process means that no child is offered more than one school, and any lower school preferences listed on the application form put back into the coordinated process and offered to other applicants.

All offers will be made on National Offer Day:
16 April 2026.

GATHERING INFORMATION

To make an informed decision about which primary schools to apply for, you are advised to read the information about the schools in this brochure and research the schools you are interested in applying to.

Many schools receive more applications than they have places. To avoid disappointment you should consider whether your child has a realistic chance of gaining a place at your preferred school/schools.

You are advised to:

- Contact schools you are interested in directly to ask for a copy of their prospectus, which will provide you with detailed information.
- Visit schools' own websites to find out more detailed information. If you want to find out about Ofsted reports for schools visit www.ofsted.gov.uk
- Find out if the school has arranged open day sessions so you can plan a visit.

You will need to look at:

- How many applications were made for your preferred school/schools last year compared to how many places were available. This information can be found in the individual school section of this brochure. It is important to note the pattern of admissions can vary from year to year and living within the distance in which places were offered in a previous year does not guarantee a place will be offered in this year or future years.
- The admission criteria of the school/schools will determine the order of priority for each applicant. As an example, most faith schools will prioritise applicants who meet the respective faith criteria.
- Frequently Asked Questions on page 17 as there may be information that you will need to know to inform your choice of schools.

THE APPLICATION PROCESS

HOW TO APPLY

It is highly recommended you apply online at: www.eadmissions.org.uk

If you would prefer to complete a paper form, you must request one by contacting the Admissions Team directly.

PROOF OF ADDRESS

You do not need to provide us with documentary evidence of your address. Your details will be cross-referenced with internal Council databases, and if we are unable to verify your address we will contact you for more information. If you are not registered to pay council tax, either because you are not liable or have recently moved, you will be asked to provide one or more of the following:

- A mortgage statement/tenancy agreement.
- A recent utility bill or, if you have moved, your closure bill at your previous address.
- Any Government benefit documents.
- For families of service personnel (UK Armed Forces) and Crown Servants, please see the advice on page 10.

The address you provide on your application must be your child's permanent address on close of applications, **15 January 2026**. You must not use a business address, childminder's or relative's address or any address other than your home address. Only in circumstances where the relative or carer has legal guardianship, and is the main carer, will a different address be considered as the main residence. Evidence will be requested to support this arrangement.

If you have a genuine 50/50 share care arrangement with your child's other parent, it will be for you to determine the address that will be used as the main address for your child's application. Only one address will be used throughout the application process. If you are unable to agree on which address to use, the address of the parent making the Child Benefit claim will typically be used for the purpose of the application. The Admissions Team is not responsible for mediating between parents, and if two separate applications are submitted we reserve the right to withdraw both applications until an agreement has been reached. In the situation where there are ongoing Family Court proceedings, the Council will consider the approach to be taken for processing on a case by case basis.

If you own or rent more than one property, you should state this on your form. You will also need to provide proof of residence and occupancy for the address at which your child lives most of the time and is considered as the main family home. If you move into a second property for a temporary period purely for the purpose of trying to be nearer to a school, we will use your normal, permanent residence for the purpose of processing the application.

CHANGE OF ADDRESS

You must notify the Admissions Team if you move address. Your new address will not be updated until proof has been provided.

If you move after **12 February 2026**, your address will not be updated as the process for allocating places would have already started. We are able to send you correspondence to your new address, but your application will be processed using the address you submitted at the close of applications.

Any offer made to your child on national offer day is based on the address you indicated in your application. If you do not inform us of a change of address, any offer that is made to your child for a school you would not have been eligible for will be withdrawn.

FRAUDULENT APPLICATIONS

Westminster City Council takes very seriously any attempt to obtain a school place by fraud. All cases are fully investigated and the use of internal and external agencies has improved detection rates. Council officers will carry out unannounced address visits as appropriate.

If you know someone who intends to or has used a false address to get a school place, you can report this confidentially to the Admissions Team on **020 7745 6433** or email schooladmissions@westminster.gov.uk

You do not need to give your name but please provide as much information as possible so we can investigate the matter fully.

If we find a school place was obtained using a false address we will withdraw our offer, even after the child has started school, and give it to the child who was entitled to the place.

If it is decided not to remove the offer, normally when the child has been on roll for than one term, any future sibling link will not apply.

CHANGE OF PREFERENCES

If you wish to change the order of preference of schools listed on your application form and you applied online, you can log back in to your account to change/add/delete preferences up until the closing date of **15 January**.

If you did not apply online, you must email schooladmissions@westminster.gov.uk or write to the Admissions Team before the closing date.

It is not normally possible to accept any changes after the closing date. In most cases, new or changed preference schools will normally be considered only after all other applications have been considered.

EXCEPTIONAL NEED

All schools have experience in dealing with children with diverse social and medical needs. However, in a very few exceptional cases there may be reasons why a child may need to attend a specific school, and no other school can meet this need. If you feel there are exceptional reasons for your child to be considered for a priority placement at a particular school, you must indicate this in the area provided in your application, giving reasons supporting your case. Please be aware not all schools have this criterion in their policy, so it is advised you check this first.

All requests for priority consideration must be supported by a professional, such as a doctor or social worker, who must clarify which school you are making a special case for, the reason why it is necessary for your child to attend this school in particular and the difficulties it will cause your child to attend another school.

It is for you to decide how to support your case and what documents to provide, but these must be submitted by the closing date. The Admissions Team is not responsible for contacting professionals for information about your case and any decision will be based on documents you submit by the closing date.

For Own Admission Authority schools and schools located in other areas, any additional documentation you provide will be passed on for the respective school's attention via the secure pan-London system.

The notification date is **16 April 2026**. You will not therefore be advised before this date whether your request for priority is agreed. If priority is not granted, your application will be considered against the remaining criteria for the requested school.

It is important to be aware that very few cases are agreed under this category. The Admission Authority must be able to justify awarding priority for a child above other applicants. It will need to be agreed by those making the decision that the professional

support provided clearly makes a case that the needs for the child can only be met at the school requested, as opposed to another local school. Cases will not be considered where a school is not named in the professional support.

ADDITIONAL FORMS TO COMPLETE

All Westminster faith schools (except Soho Parish C of E Primary School) have additional Supplementary Information Forms (SIF) and/or a Priest Reference Form to complete, which are available directly from the schools.

These forms are necessary for the school governors to determine whether applicants meet their faith requirements or other criteria. If you are applying for a place on religious grounds, you will be required to provide proof of your church attendance and/or religious commitment on the SIF.

The SIF and any other faith evidence documents required must be returned to the school. The same will apply for faith schools located in neighbouring local authorities. If you name the school in your application and do not complete a SIF, your child will be considered but it may reduce the chances of your child being offered a place.

APPLICATIONS FOR CHILDREN LIVING ABROAD

Applications submitted by living abroad will be processed with all other applicants and must be submitted by the closing date. The address where the child is living at the time of application and at the closing date will be used for the purpose of processing. The applicant must inform the Admissions Team when they have relocated to the area for the address to be updated.

MEMBERS OF THE UK ARMED FORCES AND CROWN SERVANTS

For families of service personnel (UK Armed Forces) and Crown Servants, the Council will ensure that your application to school is not disadvantaged if you are not living in the area at the time you are required to apply. In order for your application to be processed alongside all other applicants, you will need to provide an official letter that declares a relocation date. Your application will be processed using the address at which your child will live when applying the school's oversubscription criteria, including the use of a Unit or Quartering address if requested. You will need to provide some evidence of the intended address.

Further guidance is provided by the Department for Education as follows: **Guidance for Members of the UK Armed Forces and Crown Servants**

REQUESTS TO APPLY FOR RECEPTION IN THE FOLLOWING YEAR

Requests for an application to be considered for reception entry for the following year will need to be made by the closing date for when the child would normally be expected to apply:

15 January. This enables the application to still be processed alongside all other applicants if the request for later admission is refused by an Admission Authority*.

Such requests would normally apply to children who are born in the summer (between April and August) and there are reasons that would benefit the child's academic, social and emotional development by starting reception in the following year as opposed to Year 1. It should be noted any request to defer entry to Year 1 in the following year will require an in-year application to be made at that time. Further information on in-year admissions can be found at westminster.gov.uk/admissions

You are not required to provide supporting documents from a professional, however if you are able to submit documents it will assist the Admissions Authority to fully assess your request. Professional support could be from a GP, hospital consultant, social worker, or education professional, and they may wish to outline the reason for the child to start school a year later than their standard chronological year group.

It is for the Admission Authority of a school to decide whether or not the individual child's circumstances present the need for entry to reception a year late. In the event that an Admission Authority agrees to consider your application out-of-year, please be aware this is not an automatic guarantee of a place. Your application would be assessed against the school's published criteria and offers made to children accordingly. The headteacher of the school(s) applied for will be informed of the request and their view taken into account.

There is no right of appeal against the decision to refuse a request for late entry. Applicants do retain the right of appeal against a decision not to offer a school place that has been refused

for the year group applied for. If the Admission Authority approves the request, the parents will be advised to re-apply in the following year. However, there can be no guarantee of a place being available as this is dependent on the number of applicants who apply in that year. It is not possible to reserve a place in a school for the following year. If a place is not available at any of the schools applied for the local authority will identify an alternative school with a place available in the child's chronological year group.

**The local authority is the Admission Authority for community schools. The governing body is the Admission Authority for all other schools. Any decision is applicable only to the school for which the Admission Authority is responsible.*

LATE APPLICATIONS

If you apply after the closing date without a valid reason, your application will only be considered after **national offer day**. Your child's name will be added to waiting lists along with those unsuccessful applications considered in the initial allocation round.

If there is an exceptional reason for applying after the closing date and **by 12 February 2026** (for example, you have just moved to the area), it may be possible to consider your application with those that were made on time. Other circumstances will be considered and each case decided on its own merit.

HOW DECISIONS ARE MADE

THE PROCESS

The Admissions Team will process any preferences you have made for Westminster schools and pass on your child’s details to schools that are responsible for their own admissions. If you have applied for schools that are not located in Westminster, your preference(s) will be passed to the local authority that maintains those schools. At the same time, the Admissions Team will receive applications for Westminster schools from residents in other local authorities. All these operations will be carried out securely via the Pan-London Coordinated Admissions System.

The order of your preferences is not revealed to the schools. This information is only known by your home local authority and the authority where the schools are located.

If any school has more applicants than places available, the published admission criteria will be used to decide the order in which applicants will be offered places. The same process is carried out across London and decisions are made by all Admission Authorities by a common deadline and relayed back to the home local authority. This coordinated process eliminates multiple offers and will result in your child being offered the highest potential school you named in your list of preferences (if an offer can be made). Examples are shown in the following tables.

Example 1

Preference rank	School	Criteria met?	Outcome
1	School A	Yes	Place offered
2	School B	Yes	Withdrawn as higher offer met
3	School C	Yes	Withdrawn as higher offer met
4	School D	Yes	Withdrawn as higher offer met
5	School E	No	Withdrawn as higher offer met
6	School F	Yes	Withdrawn as higher offer met

Example 2

Preference rank	School	Criteria met?	Outcome
1	School A	No	Placed on waiting list
2	School B	Yes	Place offered
3	School C	No	Withdrawn as higher offer met
4	School D	Yes	Withdrawn as higher offer met
5	No preference made		
6	No preference made		

You need to be realistic when deciding your school preferences. This is because you may not receive an offer at any of your preferred schools if your child does not meet high enough priority against the school's admission criteria. That may happen if, for example, you live too far away from the school based on outcomes for previous years or you name an oversubscribed church school but do not attend church or do not provide a Supplementary Information Form (SIF) that provides evidence of Church attendance.

A breakdown of last year's admissions to each Westminster school is included in the schools section of this brochure. You will find this information is available online for all schools in the respective local authority brochure. Neighbouring London local authority website addresses and contact details can be found on page 66.

NOTIFYING YOU OF THE OUTCOME

If you made your application online, you will be able to log onto the eAdmissions site using your username and password during the evening of **16 April 2026** to view the outcome of your application and accept or decline any offer made.

Letters will only be sent in the post to residents that completed the paper application form. Letters will be sent on 19 April first class.

Your notification will depend on the outcome of your application as follows:

- The name of the school that can offer you a place. If it is not been possible to offer any of the schools you applied for, the nearest alternative school will be offered to you, if there is one available.

- That any preferences for schools listed lower than the school offered have been withdrawn.
- How to accept the place you have been offered. You should not reject the place unless you have a place secured elsewhere and should indicate the name of the alternative school on the reply slip (or online).
- If you have not been offered one of your school preferences, the reason why and who to contact for further information*.
- Waiting list and appeal information and who to contact for further details.
- The details of schools which have vacancies, if you did not receive an offer for any of your preferences and you do not want to accept the alternative school offered to you.

**The notification letter does not go into the detail of why a place could not be offered, and can only inform that your child did not receive a high enough priority against the oversubscription criteria. You will be able to obtain more detailed information from the local authority where the school is located or the school itself if it is its own Admission Authority. Please contact the Admissions Team in the first instance.*

WAITING LISTS

Your child's name will automatically be added to the waiting list for any Westminster schools that could not be offered. Any schools you named as a lower preference than the school offered to your child would have been withdrawn under the coordinated arrangements. You will need to re-apply to these schools if you want your child to be included on a waiting list.

If you have not been offered a place for a voluntary aided school, Free School, Academy or a school in another borough and require waiting list information, you will need to contact the school or the borough that maintains the school.

All places on the waiting list are ordered in accordance with the published admission criteria for each school and will be offered to children as vacancies arise with no differentiation between on-time or late applications. Waiting list positions for community schools will be available after **13 May 2026**.

A child's position on the waiting list can go down as well as up. For example, if a new application is submitted for a community school and they live closer to the school, the waiting list will need to be revised. The offer of a place does not depend on the length of time your child's name has been on the waiting list and there can never be any guarantee a place will be offered.

Waiting lists for Westminster community schools are maintained by the Admissions Team. You will be contacted at some point during the academic year to indicate continued interest. If you do not respond, your child's name will be removed from the list unless you inform us otherwise. This exercise is carried out to ensure waiting lists only ever include children who would take up an offer for a school if it became available.

APPEAL ARRANGEMENTS

You have the right of appeal to an independent panel against the decision to refuse your child a place at any school which you named on the Westminster application form.

With the exception of very limited circumstances, the law does not allow infant classes to exceed 30 (Reception, Year 1 and 2). This means that an appeal panel can only uphold an appeal where it is satisfied:

- The decision to refuse your child was unreasonable in legal terms;
- An error occurred in carrying out the school's admission arrangements that prevented your child being offered a place; or

- The admission arrangements for the school were unlawful and, had they been lawful, your child would have been offered a place.

Appeals for community schools should be lodged by **29 May 2026**. For further information on how to appeal against the decision not to offer a place for your child, please visit the Council website westminster.gov.uk/children-and-families/education/school-admissions/school-admission-appeals

If you would like to seek independent advice you may wish to contact the Child Law Advice Service which provides free legal information, advice and representation to children, their families and carers. Please see their website childlawadvice.org.uk/school-admissions for further details or call **0300 330 5485**, Monday to Friday for advice.

MAKING FINAL ARRANGEMENTS FOR STARTING SCHOOL

The law requires your child must receive full-time education from the start of the term following their fifth birthday. All parents have the right to start their child in the September following their fourth birthday if they feel this is best for their child. All offers will be made for children to start school at the beginning of the autumn term. Parents will also have the option to start their child on a part-time basis or defer their child's entry.

If you decide you would prefer to defer your child's entry to the school offered, that place will be held for your child and will not be offered to another child. You would not, however, be able to defer entry beyond the beginning of the term after your child's fifth birthday, nor beyond the academic year for which the application was accepted. For example, if your child was born in August 2022, you will not be able to defer entry to September 2027, as this will be the start of the next academic year.

If you decide you would prefer your child to start school on a part-time basis, the school will inform you of the part-time hours available your child will be expected to attend. Each school will have different arrangements in place and will be dependent on their staffing, resources and how their infant classes are organised. You will not be able to choose your own part-time hours.

FREQUENTLY ASKED QUESTIONS

What does the law require?

Of parents:

It is the duty of the parent of every child aged five to 16 to ensure the child receives efficient, full-time education, suitable to his or her age, ability or aptitude (and to any special need), either by regular attendance at school or otherwise.

Of local authorities:

It is the duty of every local authority to ensure sufficient primary and secondary schools of appropriate character and with necessary equipment are available to provide all pupils in the area with education suitable to their different ages, abilities and aptitudes.

Am I guaranteed a place in the school of my choice?

You might not be offered one of your preferences but to increase your chances of being offered a place at one of your preferred schools, you must research the admission criteria for the schools you are interested in. You should apply for at least one school in your list where you are reasonably certain your child meets the criteria.

The law states parents may express a preference for any school; however, if more parents express a preference for a school than the number of places available, there has to be an order of priority to decide which children to offer places to. The law allows parents to appeal to an independent panel if their child is refused a place at a school of their preference. Please refer to the section on appeals on page 15 for further information.

The distance you have calculated from my home to the school is further away than the distance I have calculated on a measuring system I used on the internet. What do I do?

The Council's geographical measuring system is used for calculating distances from home to school.

Distances measured by other means (for example private car, pedometer or on the internet) are likely to be calculated on a different basis and should not be relied upon as evidence the Council's distance calculation

is incorrect. The Council's measurement system is designed to be precise, reliable and consistent, and is used for all applications.

Will a school know where I listed it in my application?

No they will not have this information. All applications are treated equally against each school's published admission criteria. Schools are not provided with the preference order as it has no relevance to the decision-making process.

Do I have priority for a school place in the borough I live in?

No it is against the law for local councils to give priority to their own residents.

If I decide I prefer a school I listed lower than the school I was offered, can I be considered for a place?

Any preferences that are listed lower than the school offered are automatically withdrawn, so any lower preferences will no longer exist. Any requests after offers have been made for lower preferences will be treated as a new late application.

The school I have applied for has random allocation to decide who is offered places. How does this work?

Some schools use random allocation instead of distance in order to determine a rank number order when there are more applications than places available. This may also be referred to as a lottery or ballot. Schools can decide how they apply this method but it must be supervised by someone independent of the school.

This can be an individual or an external organisation.

When places become available, random allocation must be used each time to determine the next offer. This will mean that there is no ordered waiting list for schools that use random allocation.

How do schools deal with applications for children from multiple births (for example twins, triplets)

Each school should set out in its admission arrangements how it considers applicants from multiple births. In most cases, places will be offered to all children even if the school has to exceed their published admissions number, as this is an exception to infant class size regulations.

You are, however, advised to check the full policy for the school/schools you are applying for if this is a concern for you as different rules may apply.

My child attends a nursery linked to a school, will they automatically get a place in the Reception Class?

No, attendance at a nursery class does not guarantee or give priority for admission to the reception class of that school. It is also important to be aware if you have a younger child attending the nursery section of the school you are applying to, the sibling connection does not apply. Only children who will be on the roll of the main school when the new child starts school will be considered as a sibling link.

Can I name only one school on the application form?

Naming only the school you most want for your child will not increase their chance of being offered a place at that school. Because of the demand for places at the most popular schools, your child may not be offered a place at your first preference. If you give only one preference, your child may not get an offer at all. It is therefore advised you name further preferences and ones you consider to be realistic options.

Can I apply for schools outside of Westminster?

Yes, you may also wish to consider schools outside the borough. Under the coordinated admission system, Westminster residents can apply for schools anywhere in England and these will need to be listed on your application. Detailed information about schools outside the borough is available directly from the schools and the local authority in which they are located. The contact information for neighbouring London boroughs is provided on page 66.

How do I apply if my child has an Education, Health, and Care (EHC) plan?

You do not need to complete the standard admissions application if your child has an EHC plan as there is a separate process that is outlined on page 58 in this brochure. If your child is in the process of being assessed for an EHC plan, however, it is useful to make us aware

of this. Doing so will ensure the school that is eventually offered to your child is fully aware before admission and can plan accordingly to be able to meet your child's needs.

Does the Council make the decision on whether my child can be offered the school I want?

The Council's Admissions Team is the administrator and coordination of applications but does not make the decision on individual applications. Decisions are made based on the admissions criteria for each school. It is therefore important you look at the schools you are interested in applying to and how places are considered. Each school will show how places were offered last year. Whilst trends can vary from year to year, this is a useful indicator and will help to inform your choice of schools.

ARK KING SOLOMON ACADEMY

King Solomon Academy offers an academic all through education based across two sites. Pupils in Nursery to Year 4 are based on Crompton Street, which is also called the Younger Years Site. Pupils in Year 5 to Year 13 are at the site on Penfold Street, which is also called the Older Years Site.

Pupils admitted into King Solomon Academy in September are guaranteed a place all the way through to Sixth Form. No new admission is made for the Secondary phase of King Solomon as transfer to older years at the school is automatic.

SUMMARISED ADMISSION CRITERIA*

Where there are more applications than the number of places available, places will be offered according to the following order of priority:

After the allocation of children with a EHC plan, the admission criteria will be applied in the following order of priority:

- a. Looked After Children and Previously Looked After Children.
- b. Children of staff at the school where there is a demonstrable skills shortage – children of members of staff will have priority in the over subscription criteria, if the staff member is filling a post for which there is demonstrable skills shortage. Ark Schools is required to approve the Principal's designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
- c. Children who at the time of the admission have a sibling who attends the academy. For this purpose "sibling" means a whole, half or step-brother or – sister or an adopted child resident at the same address. In respect of applications to the primary school, the fact that an applicant has a sibling attending the nursery school will not be a factor giving rise to priority.
- d. Children of staff in the school – where there is no demonstrable skills shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.
- e. Remaining places will be allocated on the basis of straight line distance from the of the entrances to both the Younger Years and Older Years Sites (see map on adjacent page Edgware Road, Easting coordinate: 5268073 Northing coordinate: 1819638).

IN-YEAR ADMISSIONS

 westminster.gov.uk/admissions

 020 7745 6433

An in-year admission is when an application for a school place needs to be made outside the normal admission round (the first year of entry to a school). In most cases your reason for making an application will be that you have moved to a new address, moved from abroad or you would like to transfer your child from one school to another. There is a separate process for applying in-year for a school place.

SCHOOL ATTENDANCE

 020 7641 4000

After you have been allocated a school place, making sure your child attends school regularly and on time every day is really important, not only to make sure they have the best possible chance to get the most out of their education but also because children who are not in school are more likely to get into trouble outside school or be vulnerable. Parents have a legal responsibility to get their children to school, but if you are having difficulties with this, it is important you talk to school staff, who are there to help you.

You or school staff may feel you need some extra help. Each borough has professional staff who work with families with children who are not attending school. They are based in the Early Help Team if you live in Westminster and you can contact them on **020 7641 4000**.

CHILDREN WITH DISABILITIES TEAM

 fisd.westminster.gov.uk/kb5/westminster/fis/advice.page?id=WhySathr59Q

 0207 641 5100

This team offers information, advice, support and practical help to families with children who have a permanent and substantial disability or long-term illness that affects their everyday living. The team offers advice on how to access services available for children and young people who have disabilities.

SPECIAL EDUCATIONAL NEEDS AND EDUCATION, HEALTH AND CARE NEEDS ASSESSMENTS

 westminster.gov.uk/children-and-families/education/special-educational-and-additional-needs

 SEN@westminster.gov.uk

 020 7361 3311

Most children and young people with Special Educational Needs (SEN) and/or disabilities will have their needs met within local mainstream early years settings, schools or colleges. The Local Authority works with all settings to help them with identifying, assessing and making provision for pupils with SEN. All mainstream school and college settings have delegated funding so that they can meet the needs of pupils with SEN.

If you are applying to a new school and you think your child may have a special educational need, the first step is to talk with the headteacher and/or SENCO when you visit the school. They will be able to talk to you about the support they provide for children with learning needs and how they could meet your child's needs. They must also publish this information on their websites: this is usually called their SEN Information Report. The Local Authority expects all mainstream schools to support children with special educational needs, and to work with parents to develop an SEN Support Plan: this will record what is happening to support your child, and the progress s/he is making as a result.

Some children and young people with SEN or disabilities may need support that cannot be provided from the resources of a mainstream school alone. Once all the resources and support in the school have been put into place and there has been time to see what the effect is, the school may then discuss the possibility of an Education, Health and Care Needs Assessment with you. This assessment is coordinated by the local authority and as well as education, it involves health and social care assessments. However, the school would discuss this in detail with you before requesting an assessment, and an assessment would only take place with your clear agreement.

Children with Education, Health and Care Plans:

If your child already has an EHC plan, the information relating to the application process set out in this brochure does not apply to you as the Local Authority needs to work with you to agree the best place for your child.

Find information on services and support available for children and young people with special educational needs and/or disabilities (SEND) aged 0 – 25 and their families via the Local Offer website: localoffer.westminster.gov.uk

HELP WITH THE COST OF SCHOOL UNIFORM

If you are a Westminster resident with a child attending a Westminster primary school, and you qualify for Free School Meals, you will be provided with some funds towards the cost of your child's school uniform. Your child's primary school will provide you with either a voucher, cash, or new items of uniform to the value of £31.

FREE SCHOOL MEALS

📧 westminster.gov.uk/free-school-meals

☎ 020 7641 3412

All infant age pupils (reception, Year 1 and 2) in state-funded schools are entitled to Universal free school meals, but if you meet the criteria for free school meals (FSM) it's important to apply, as the school will receive pupil premium funding – which goes towards your child's education.

The Mayor/GLA will be offering a universal free meal to all pupils in Years 3–6 who don't qualify for FSM, but it's still incredibly important that all parents who qualify for means tested FSM should make an application for FSM.

In addition to the pupil premium funding, your child can get access to other benefits such as holiday food and activities. Please check the eligibility criteria and complete the form that will be provided to you when your child starts school.

All parents/carers should still make an application in the usual manner in order for schools to claim the Pupil Premium. The application form and notes have been amended to simplify the process. Applications can be made online at westminster.gov.uk/free-school-meals

For Key Stage 2–4 school meals are chargeable. Children whose parents receive any one of the following are entitled to free school meals:

- Income Support.
- Income Based Jobseekers Allowance.
- Income-related Employment and Support Allowance.
- Support under Part VI of the Immigration and Asylum Act 1999 (parents who are supported by the National Asylum Support Service or their home local council's central asylum team).
- Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income (as assessed by Her Majesty's Revenue and Customs) that does not exceed £16,190.
- Working Tax Credit during the four-week period immediately after their employment ceases, or after they start to work less than 16 hours per week.
- A guarantee element of State Pension Credit.
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including any benefits you get).
- In addition, the following pupils will be protected against losing their free school meals as follows:
 - All existing free school meals claimants will continue to receive free school meals whilst Universal Credit is rolled out. This will apply even if their earnings rise above the new threshold during that time.
 - In addition, any child gaining eligibility for free school meals will be protected against losing free school meals during the Universal Credit rollout period.
 - Once Universal Credit is fully rolled out, any existing claimants that no longer meet the eligibility criteria at that point (because they are earning above the threshold or are no longer in receipt of Universal Credit) will continue to receive free school meals until the end of the current phase of education (i.e. primary or secondary).

Please note that the government could change the criteria for eligibility at any time.

Applications can be made online using the following link

 westminster.gov.uk/free-school-meals

 fsm@westminster.gov.uk

 020 7641 3412

If your child attends a Westminster school, you should apply on a Westminster form regardless of where you live. Entitlements are reviewed yearly and parents are responsible for ensuring applications are renewed every year and Pupil Benefits is notified of any change in their circumstances or if their child changes school. If you think your child is entitled to free school meals, it is very important you apply for them even if your child eats a packed lunch. This is because the amount of money a school receives from the government is linked to the number of children entitled to free school meals.

How long do we keep your information?

The Admissions Team will keep your application record for 3 years. After this time it will be deleted.

How is your information retained?

Article 6 (1) of the UK GDPR states that processing shall be lawful only if and to the extent that at least one of the following applies. The Act lists 6 lawful basis. In this instance, the council asserts that it is processing data under 6 (1)(e) "processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller". In line with the ICO, the term Public Task to signify, reference is made to Article 6 (1)(e).

The public task for School Admissions is the law which states that the LA must coordinate admission applications for the first point of entry to Reception, and the transition point from primary to secondary school for entry to Year 7. The team are required to coordinate admissions for all state maintained schools that participate in coordination.

The above establishes that the council has both a public interest task and duty to respond to EHE Assessments. Processing (including documenting) assessments takes place under the Public Task basis. The data protection regulator, Information Commissioner's Office [ICO] notes that a specific power is not needed to establish the Public Task lawful basis. Please note, under the Public Task basis, the right to erasure is set aside. The right to object remains, but the right to rectification will only apply to factual content, rather than a difference of opinion. The council may consider accepting addendums to be placed on records where there is a dispute based on opinion, but this will be on a case by case basis.

In addition, the council has other duties associated with maintaining adequate records of its transactions (activities, correspondence) as set out under the Local Government Act 1972 section 224. Specifically, evidencing its transactions, requires considering the integrity of those records. The council is also subject to the Code of Practice on

the Management of Records issued under section 46 of the Freedom of Information Act 2000. Included in the Code is the requirement to adhere to "three principles of value, integrity and accountability... to manage information and maintain a record of their (Public Authorities) activities". When viewed together the council must be able to maintain records of its transactions as they happened.

IS YOUR CHILD UP TO DATE ON THEIR VACCINES?

Being up to date on vaccinations is the most important thing we can do to protect ourselves and our children against getting ill.

MMR

Has your child had both courses of the measles, mumps and rubella vaccination (MMR)? Measles and mumps are highly infectious and can be very unpleasant. If your child has missed one or both courses of the MMR vaccine, it's not too late. Ask your GP for the free vaccine.

Flu

Flu occurs every year and most people usually recover within a week, but for some, it can be dangerous. The flu jab is free for pregnant women, children aged 2–3 and children in school years reception, 1, 2, 3, 4, 5 and 6.

It's best to have vaccine in the autumn, and is needed every year. To get the vaccination, speak to your GP, practice nurse or pharmacist.

NURSERY CLASSES AT WESTMINSTER PRIMARY SCHOOLS

In Westminster, some schools/nursery schools provide 30 hours free early education for all children. Please contact the schools directly before making your application to check their current offer and eligibility criteria. Full-time nursery places are allocated by schools to children who meet the agreed criteria. You are welcome to find out from each school whether it offers full-time places and how it allocates them. You will need to apply directly to the schools in the spring term to secure a nursery place for a September start. Some schools may allocate nursery places earlier, so please contact your chosen school directly for more information. Please note nurseries in primary schools may have limited vacancies for in-year admissions.

NURSERY CHILDREN TRANSFERRING TO RECEPTION CLASS

Please note there is no automatic transfer from the nursery class to the reception class at a school. The infant or primary school where a child attends a nursery class will not necessarily be able to offer a place in its reception. There is a separate application procedure for reception class places at schools. All schools have admission criteria, which they use to allocate places when they are oversubscribed. It is also important to be aware that if you have a younger child attending the nursery section of the school you are applying to the sibling connection does not apply. Only children who will be on roll of the main school when the new child starts school will be considered as a sibling link.

HOW TO APPLY

To apply for a nursery class place at a Westminster primary school or maintained nursery, you will need to apply directly to the school/nursery. You are welcome to contact schools to arrange a visit and make an application.

ADMISSIONS CRITERIA FOR COMMUNITY SCHOOLS AND MAINTAINED NURSERY SCHOOLS

There may not be enough places in the nursery school or class to take all the children who would like to attend. For community schools and maintained nursery schools, where there are more applications than places, schools will allocate places in the following order:

1. Looked After Children and previously Looked After Children who ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order.

2. Children with an exceptional medical or social need for a place at the particular school concerned.
3. Children with a brother or sister already attending the nursery school or class, or the main school of which the nursery class is part, at the time of admission.
4. Children for whom the school or nursery class is the nearest nursery provision in a community school. Priority within this group is given to those living nearest to the school as measured by the shortest walking distance.
5. Children who live nearest the school (as measured by the shortest walking distance).

VOLUNTARY AIDED SCHOOLS AND ACADEMIES

Voluntary aided schools and Academies have their own criteria for deciding which children should have a place in their nursery classes. Parents should contact each school directly for more information.

FULL-TIME NURSERY PLACES

The criteria for allocating full-time nursery places at schools differ between schools. Parents should contact each school directly for more information.

EARLY YEARS EDUCATION AND CHILDCARE

The council is responsible for supporting the delivery of quality education and childcare across Westminster. This is delivered through a range of early years and nursery settings.(please delete: including 12 Children's Centres, which provide family support, adult learning opportunities and access to employment advice.)

Eligible children can access 15 or 30 hours of government-funded early education per week (up to 38 weeks a year), from nine months old until they start reception. Contact the Family Information Service on **07971 625 922** or email **families@rbkc.gov.uk** for further information.

CONTACT DETAILS FOR NEIGHBOURING BOROUGHs

Detailed information about schools outside Westminster and Kensington and Chelsea is available directly from schools or the local authority in which they are situated.

Please remember to check the admission arrangements for your preferred schools to assess whether you are likely to be offered a place. You may also be required to complete a supplementary form. If you live outside Westminster but wish to apply for a school in Westminster, you will need to apply on the common application form of the local authority where you live.

DID YOU KNOW...

By the age of 1, all children should visit the dentist regularly. There are dozens of NHS dental practices in Westminster and for people under the age of 18, it's free. Find your most convenient NHS dentist at: nhs.uk/dentists

It is important that all children are up to date with their vaccinations prior to starting school. If you have missed vaccinations or are not sure, you can ask at your GP practice and make an appointment. It is never too late for a child to catch up on their vaccinations. Vaccinating your child will protect them against serious infectious diseases and will help to protect the other pupils and teachers at school as well as the wider community. This means pupils and teachers will have fewer days off due to sickness and they will not be missing out on their education.

We strongly recommend that all children receive the flu vaccination nasal spray every Autumn. This is usually offered through the school.
