Family Update – Friday 20th March

Dear Families,

This half term may have been a short one, but it has certainly been full of rich learning, enthusiasm and achievement across the school. Our children have made the most of every moment, showing great focus and curiosity in all that they have done.

As we come to the end of this week, we would also like to extend our warmest wishes to all of our families who are celebrating Eid today—Eid Mubarak to you all. May this special time be filled with peace, joy and togetherness. Looking ahead, the final week of this half term and the start of the next promise to be particularly busy, with many important events taking place. Please do keep a close eye on upcoming dates and communications. In particular, we look forward to welcoming you to our Easter Service next Wednesday at 2.45pm, and to supporting our FOSMA bake sale on Thursday straight after school.

London Marathon

On Sunday 26th April, Mrs Marius-Beeko is running The London Marathon. Thank you to all of the parents and carers who have offered words of encouragement.

Quite a few parents have asked about sponsorship. Mrs Marius-Beeko will be fundraising for Cancer Research UK. If you would like to sponsor her, please click [here](#). Please keep Mrs. Marius-Beeko in your prayers over the next nine weeks as she completes her training.

Attendance

Well done to Year 5/6, our attendance winners this week, just pipping Year 2 to the post by the narrowest of margins!

Congratulations Year 5/6!

Year 1 Spring Learning

World Book Day

Year 1 had an amazing world book day this year! The whole class dressed in amazing costumes, from the Cat in the Hat to the Little Prince! We had it all. We enjoyed a day of reading, writing reviews and joining friends (and siblings) in Nursery to be reading buddies. A wonderful day was had by all and we cannot wait for next year's World Book Day already!

Science – Kentish Town Farm Trip

Year 1 furthered our science learning about animals by going on a trip to Kentish Town Farm. We met the educational advisor Daniel who showed us round the farm to meet all the animals! We saw a horse, sheep, lambs, pigs, donkeys and lots more animals! We learnt what they eat along with some very interesting facts. At the end of our tour, we even got to pet one of the goats at the farm called Winnie. The children were amazing scientists for the day and asked Dan some great questions. Well done Year 1 and thank you to all the parents and teachers who helped on the trip!

Computing – Data Collection Collaboration with Years 5/6

Year 1 joined forces with Year 5/6 to create some pictograms on sketchpad as part of their computing topic this term. Year 1 were tasked with collecting information using a tally chart which they fed back to Year 5/6, who then helped them create pictograms to illustrate the data collected. Well done to Year 1 and 5/6 for your amazing teamwork!

Year 2 Spring Learning

We thoroughly enjoyed World Book Day! As well as dressing up as our favourite characters, we redesigned book covers, dropped everything and read, took part in a workshop and read a classic tale in Spanish.

In **Science**, we have been fascinated by animal habitats. As well as discovering the plethora of living things in our school environment, we had a fantastic trip to London Aquarium.

In **PE**, we have learnt about showing our school values through sport. We have begun learning about tag rugby and are improving our attack and defence skills.

In **Design Technology**, we learnt all about wheels and axles. We learnt how to measure and cut wood safely to create our own vehicles.

Dear God,

Thank you for this school and all of the learning that has taken place here this week. Thank you for helping us to show our values of Love, Respect, Forgiveness, Curiosity, Honesty and for making our school a place where all feel safe. Help us to use our values to guide us in all we do and all we hope to achieve.

We give thanks for the deepening of learning, friendships and for Your love.

In Jesus' name,

Amen
